the power of community

HCD has won the Locality Award for transforming the community under the Power of Community Award.

This award celebrates a community organisation working with local people to shape their own future and build a fairer society where everyone in the community thrives.

HCD is a unique organisation operating in Hackney for many years with more than 7 sites, over 80 businesses, and others under their roof. We are a key business provider in the borough and continue to help businesses thrive and start new businesses, especially social enterprises.

Anthonia said: *"We are so pleased to have won this award which recognises the tremendous work done by HCD and our partners in growing and supporting Hackney's economy as well as helping communities to thrive and grow. Bradbury Works has been a long and difficult road to travel, but now we have an excellent centre for the local community to use. And we have future plans to continue this work."*
